THE SHOW

NEWCASTLE & HUNTER

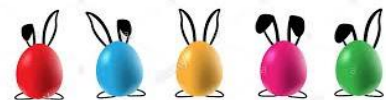

We all had an exciting time at the Newcastle Show

The Australian Covid-19 Vaccination Program has commenced. Disability Services, staff and residents are scheduled Phase 1B rollout strategy. We have been informed that we will be notified by the Australian Government when we will be able to receive the vaccine. Please remember the vaccine is voluntary.

A patient profile and written consent by the resident's person responsible must be given. The CEO or Program Officer will be in contact with families to complete these forms.

The first game of Netball is on Saturday 24th April 2021. Lee and Andrew are playing this year.

We are looking forward to spending time with our families and friends over the Easter break.
