### Covid Updates:

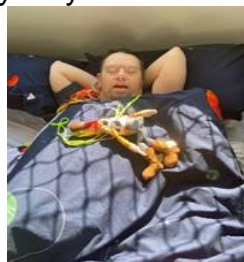

All residents and nearly all staff have received the two Pfizer vaccination doses.

Hunter Carers Covid Contingency Plan has been reviewed and updated. We are registered with Services NSW and have our QR Code for staff and others requiring to come into the homes.

Residents have been in lockdown since 6<sup>th</sup> August. Many BBQ's, in house bingo, cooking lessons, in house movie sessions, craft activities, ipad games and board games are being enjoyed.

Our exercise is limited to walks in the street, use of our internal gym equipment and loud music disco dancing.

We are all adhering to the NSW Health lockdown rules. Visitors to the group homes are currently not allowed. Staff are maintaining strict infection control practices and social distancing between shifts. We pray everybody stays safe.
